PROFILE

Versatile artist and creator based in Dubai, with experience in several fields of the artistic and audiovisual industry. Actor, model, content creator, and fashion designer, I participate in various projects such as films, series, theater, music videos, commercials, and events. Passionate about artistic creation, fashion, and image, I also possess technical skills in computing, computer graphics, photography, videography, and audiovisual production. My multicultural profile and mastery of multiple languages allow me to collaborate with teams and productions from different backgrounds.
